

September 27, 2013

Below are anticipated construction activities for the week of 9/30/2013.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Restrictions may be in place on Fall Creek Parkway and Central Avenue and at Fall Creek Parkway and College Avenue for safety while doing concrete and drainage work.

Bridge on Illinois Street over Fall Creek will be closed for rehabilitation starting June 19th until June 2014. Official detour for traffic on Illinois St. will be to utilize 21st Street to Meridian Street to continue north and then to 30th Street West back to Illinois Street.

Rural Street over Pogues Run will have lane restrictions for bridge repairs.

There may be pedestrian restrictions at Vermont Street Plaza on the Downtown Canal.

Traffic restrictions may be in place in the Holy Cross neighborhood for street improvements.

ADA Ramps will be placed along Michigan Street from Bancroft Avenue to Sherman Drive which could interfere with traffic.

Sidewalk, curb & resurfacing work being done where Keystone Avenue crosses Prospect Street may cause some traffic restrictions. There will also be same type of work done on Iowa Street and on 30th Street which also may cause traffic restrictions.

Sidewalk replacement on east side of Capitol Ave from Maryland St to Washington St. Lane restrictions are in place along Capitol Avenue.

Resurfacing on Ralston Ave from 30th St to 34th St, and intersection work at 40th St and Graham Ave is scheduled to start the week of October 7, 2013.

Bridge rehabilitation will start on the Sherman Drive Bridge over Pleasant Run Parkway Drive to reconstruct the deteriorating infrastructure and improve the road approaches. The project is scheduled for completion by the middle of this December. During construction, Sherman Drive will be closed to traffic. A marked detour using English Avenue, Rural Street and Washington Street will be established during construction.

DECATUR TOWNSHIP

There will be lane restrictions on Mann Rd starting Thursday of this week.

FRANKLIN TOWNSHIP

Northeastern is closed south of Southeastern Ave. Lane restrictions are in place along Southeastern Avenue thru Wanamaker.

Emerson Avenue, just north of Edgewood Avenue, will be under temporary lane restrictions for approximately one week. Milestone Contractors, L.P., will be repairing a section of pavement including curb & gutter, damaged by the contractor for the new CVS, "Dave O'Mara Contractor, Inc." Milestone will also correct a drainage problem on Southport Road, west of Emerson Avenue, there will also be temporary lane restrictions for this work.

Resurfacing on Cassara Drive, 42nd Stree from Mitthoeffer to German Church, and Frontage Road from Senour to Dead End.

LAWRENCE TOWNSHIP

Lane restrictions may be in place for intersection improvements at Hague Road and 89th Street.

Shafter Road Bridge over Fall Creek is open to traffic. The Fall Creek Trail Extension Project, a multi-use pathway extending the Fall Creek Trail from Skiles Test Park to Fort Harrison State Park, remains under construction.

71st and Hague Drainage Improvements will begin October 1st & may cause traffic restrictions in the area.

PERRY TOWNSHIP
